STATEMENT OF OBJECTS AND REASONS

Due to the wording of sections 63 (b), 64, 65 and 67 of the Himachal Pradesh Panchayati Raj Act, 1968, which almost make these sections sound self-contradictory, certain complications have arisen in the co-option of members in Panchayat Samitis. The co-options have become challengeable in court of law and certain writs are pending against such co-options in the High Court of Himachal Pradesh. It has created hurdles in the constitution and functioning of Panchayat Samitis in this State.

With a view to overcome these hurdles and to remove ambiguity from the provisions of said sections, it is proposed to amend sections 63 (b), 64, 65 and 67 of the Himachal Pradesh Panchayati Raj Act, 1968 by an Amendment Act. These matters were of great importance and required immediate action. Since the Legislative Assembly was not in session, so the amendments were made by means of an Ordinance (Ordinance No. 7 of 1974). This Ordinance is required to be replaced by an amending Act. Hence this Bill.

STATEMENT OF OBJECTS AND REASONS

Under the Himachal Pradesh Panchayati Raj Act, 1968, a village or a group of villages is notified as a Sabha area under section 4 (1) of the said Act and then a Gram Sabha is established by notification for each Sabha area under section 5 (1) of the said Act. Instances have come to the notice of the Government where even though Sabha areas have been constituted, Sabhas have been established and even the Gram Panchayats are functioning, notifications as required under section 4(1) and 5(1) of the aforesaid Act have not been issued or published. So too the notification issued under section 48 read with section 9(1) of the said Act was not published in the Himachal Pradesh Rajpatra. Due to this the establishment of all the Gram Panchayats becomes challengeable in a court of law. In fact some writ petitions are already pending before the High Court on this ground. More may follow thereby jeopardising the functioning of Panchayati Raj in the Pradesh.

In order to validate the constitution of Gram Sabhas in Himachal Pradesh irrespective of the fact that the requisite notifications under sections 4, 5 and 48 read with section 9 (1) of the Panchayati Raj Act, 1968 have not been issued or if issued have not been published in the Himachal Pradesh Rajpatra, it is necessary to enact a validating Act. Since the Legislative Assembly was not in session and the matter was of such urgent nature that immediate action was required to be taken and so the Ordinance No: 8 of 1974 was promulgated on 17th December, 1974.

This Ordinance is required to be replaced by an Act. Hence this Bill.

STATEMENT OF OBJECTS AND REASONS

The East Punjab Urban Rent Restriction Act, 1949 was enforced in the territory added to Himachal Pradesh under section 5 of the Punjab Re-organisation Act, 1966 as well as in the old areas of Himachal Pradesh. This Act of 1949 was repealed by the Himachal Pradesh Urban Rent Control Act, 1971 which came into force on 17-11-1971. Since a large number of cases, under the 1949 Act, were pending in different courts in the State as on 17-11-1971, it was considered desirable that the same be disposed of under the 1949 Act, as if the new Act of 1971 had not been passed.

A Division Bench of the Himachal Pradesh High Court recently delivered a judgment wherein the scope of section 28 (2) of the 1971 Act was discussed and it was held by the court that sub-section (2) of section 28, which is the relevant provision, would apply to only such suits and proceedings, under the repealed Act, which were pending in courts at the time of the commencement of the 1971 Act. It was further held by the Hon'ble High Court that whereas an ejectment suit filed under the provisions of 1949 Act, and which was pending in the court, at the time of the commencement of the 1971 Act, would continue and be disposed of according to the provisions of 1949 Act, the ejectment order, if any, passed in such a suit, would not be executable under the provisions of the 1949 Act, since the execution application (to be filed after the decision of the suit) cannot be said to be pending in court at the time of the commencement of the 1971 Act. In view of this interpretation by the Hon'ble High Court on the language of section 28 (2) of the 1971 Act, any order passed by the court, under the 1949 Act, would not be executable and thus a successful litigant would be deprived of the fruits of his litigation inspite of the fact that the law permitted the suit to be disposed of under the repealed Act. This certainly was not the intention for, otherwise, no suits for ejectments and other proceedings, which were pending under the 1949 Act, on the commencement of the 1971 Act, would have been allowed to continue under the repealed Act and the litigants would have been directed to file fresh suits.

In view of this judgment of the Hon'ble High Court it is considered necessary that doubts if any, existing in 1971 Act, be removed by a suitable amendment in the Act. Accordingly, the Himachal Pradesh Urban Rent Control (Amendment) Ordinance, 1974 (Ordinance No. 9 of 1974) was promulgated by the Governor of Himachal Pradesh on 23-12-1974.

This Bill aims at replacing the said Ordinance without modification.

STATEMENT OF OBJECTS AND REASONS

Under the provisions of the Himachal Pradesh Municipal Act, 1968 section 212 empowers a committee to make bye-laws for regulating or prohibiting the cutting or destroying of trees or shrubs. Section 213 provides that in making any bye-law under any section of that chapter, the committee may direct that a breach or an abetment of a breach of it, shall be punishable with imprisonment which may extend to three months or with fine which may extend to one thousand rupees or with both, and, when the breach is a continuing breach, with further fine which may extend to twenty-five rupees for every day after the first during which the breach continues. No bye-laws appear to have been framed by the committees in the Pradesh under the provisions of the said Act. The price of timber has considerably gone very high and the people considering the penalty too small have started felling of trees recklessly and indiscriminately in and around Simla town. This un-authorised cutting of trees on a large scale is likely to lead to soil erosion besides undermining scenic beauty and attractiveness of the towns and in particular of Simla town which was once said to be the Queen of hills.

In order to enforce effective check to this indiscriminate and illicit felling of trees in the areas of committees in the Pradesh, inspite of the provisions of sections 212 and 213 of the aforesaid Act, it is felt essential to add new chapter after section 216 of the said Act. This new chapter provides that breach or abetment of breach in respect of cutting or destroying of each tree shall be a separate offence and shall be punishable with imprisonment which may extend to three months and with fine which shall not be less than one thousand rupees. When any person is convicted for breach, the court convicting such person shall, in addition to the punishment imposed, order forfeiture in favour of the concerned municipal authority, of any tree/fuel/timber in whatever form it may have been converted and in case such tree/fuel/timber are not available for forfeiture, the market value thereof as determined by the court shall be recoverable. The Legislative Assembly was not in session and circumstances existed which rendered it necessary for the Governor to take immediate action by promulgating an Ordinance under Article 213 of the Constitution. Accordingly Ordinance i.e. the Himachal Pradesh Municipal (Amendment) Ordinance, 1975 (Ordinance No. 1 of 1975) was promulgated on 8-1-1975. In this Ordinance, the expression "felling of tree" has not been defined. Now a new explanation to define the term has been incorporated in the body of the Bill with a view to achieve the said purposes. This Bill aims at replacing the said Ordinance with modification.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-section (4) of section 216-A, of the new Chapter IX-A proposed to be inserted in the Himachal Pradesh Municipal Act, 1968, *vide* clause 2 of the Bill, makes provision for framing rules consistent with the provisions of the Act and to carry out the purposes of the aforesaid inserted chapter. The rules, when framed, shall be laid before the Legislative Assembly. This delegation is normal in character.

STATEMENT EXPLAINING THE REASONS FOR NECESSITATING THE VARIATIONS IN THE ORDINANCE NO. 1 OF 1975

In the original Ordinance, the expression "felling of tree" has not been defined. For the removal of any doubts, which may arise, it is considered essential to define this term in the body of the Bill. With this purpose, an explanation has been added after sub-section (1) of section 216-A.
